

HB 1856 -- Stoddard County Prosecuting Attorney

Sponsor: Hampton

This bill authorizes Stoddard County, upon voter approval, to make the office of the county prosecutor a full-time position effective on January 1 of the year immediately following the election. Currently, the effective date of such a change in most counties is the date that the prosecutor who is elected at the next election subsequent to the approval of the change to a full-time position is sworn into office.
